## Jennifer Lopez, In The Morning

If you love me Say it in the mornimg Not just in the evening Only when you want my body Want my body

Sweet littel white lies
Your sweet little white lies
Leave a bad taste in my mouth
Your taste in my mouh
Black dress with white wine
Mess i tup, watch it fall down
When you watch it fall down

You tall i'm a real one I am the right one But only when you're on one You tell me that you need me Wanna see me But only when you want some, want some

If you love me Say it in the mornimg Not just in the evening Only when you want my body Want my body
