Come on people
Lets get loud, lets get loud
Turn the music up to hear that sound
Lets get loud, lets get loud
Aint nobody gotta tell you what you gotta do

If you wanna live your life
Live it all the way and dont you waste it
Every feeling, every beat
Can be so very sweet you gotta taste (uh-huh)

You gotta do it (you gotta do it)
You gotta do it your way
You gotta prove it (You gotta prove it)
You gotta mean what you say
(Come on, you know what were here for!)
You gotta do it (do it)
You gotta do it your way
You gotta prove it (prove it)
You gotta mean what you say

Lifes a party, make it hot
Dance, dont ever stop whatever rhythm
Every minute, every day
Take them all away, you gotta live them
(Cause Ima live my life)

You gotta do it (you gotta do it)
You gotta do it your way
You gotta prove it (You gotta prove it)
You gotta mean what you say
You gotta do it (do it)
You gotta do it your way
You gotta prove it (prove it)
You gotta mean what you say

Lets get loud, lets get loud

Turn the music up to hear that sound
Lets get loud, lets get loud
Aint nobody gotta tell you what you gotta do, no, no

Cause Ima live my life

Life is meant to be, be funny
Youre not hurting anyone
Nobody loses
Let the music make you free
Be what you wanna be
Make no excuses

You gotta do it (do what you wanna do)
You gotta do it your way
You gotta prove it (say what you wanna say)
You gotta mean what you say
You gotta do it (go where you wanna go)
You gotta do it your way
You gotta prove it (just do it oh)
You gotta mean what you say

Lets get loud, lets get loud
Turn the music up to hear that sound
Lets get loud, lets get loud
Aint nobody gotta tell you what you gotta do

Lets get loud, lets get loud
Turn the music up to hear that sound
Lets get loud, lets get loud
Aint nobody gotta tell you what you gotta do

Eso!
