

# Jennifer Lopez, Loving You

Would you mind if I took the time to get to know you  
'Cause it's been a while since all we've been through  
And even though I said my feelings wouldn't change  
Nothin' stays the same, ooh  
I could see when I look in your eyes you mean no harm  
It's just the way you manipulate me with your charm  
And I can tell the love I have for you's still strong  
And there ain't nothing wrong with me still lovin' you  
After all that we've been through (Ooh)  
I find myself still lovin' you (Yeah)  
But I think we need to take the time to get back  
'Cause I never get up on a good thing  
I never give up on the love we had (Ooh...ooh...)  
We just need to take it slow  
In the past you would act as if you don't really care  
You would fight and argue almost anywhere  
Lookin' back sometimes I feel like such a fool  
For puttin' up with you, boo  
Baby, please understand me if it seems I'm confused  
It's just it might take me some time to get used to  
you  
When I think of all the things we used to do, baby  
I just find myself still lovin' you  
After all that we've been through (Yeah)  
I find myself still lovin' you (Oh)  
But I think we need to take the time to get back (No, no)  
'Cause I never get up on a good thing  
I never give up on the love we had (Baby)  
We just need to take it slow  
I believe you and me have a chance to make this right  
Oh, baby, if your heart is in it, I'm still with it  
Even after all this time has passed  
Oh, I'm still lovin' you  
After all that we've been through (Yeah)  
I find myself still lovin' you (Oh, yeah)  
But I think we need to take the time to get back  
'Cause I never get up on a good thing  
I never give up on the love we had (Baby)  
We just need to take it slow  
After all that we've been through (Oh)  
I find myself still lovin' you  
But I think we need to take the time to get back  
'Cause I never get up on a good thing (Never give up)  
I never give up on the love we had (Yeah)  
We just need to take it slow
