Jennifer Lopez, Remember Me This Way

Every now and then we find a special friend Who never lets us down Who understands it all Reaches out each time you fall You're the best friend that I've found I know you can't stay But part of you will never ever go away Your heart will stay

I'll make a wish for you And hope it will come true That life will just be kind To such a gentle mind If you lose your way Think back on yesterday Remember me this way Remember me this way

I don't need eyes to see
The love you bring to me
No matter where I go
And I know that you'll be there
For ever more a part of me you're everywhere
I'll always care

I'll make a wish for you
And hope it will come true
That life will just be kind
To such a gentle mind
If you lose your way
Think back on yesterday
Remember me this way
Remember me this way

And I'll be right behind your shoulder watching you I'll be standing by your side in all you do And I won't ever leave as long as you believe You just believe...

CHorus:

I'll make a wish for you
And hope it will come true
That life will just be kind
To such a gentle mind
And if you lose your way
Think back on yesterday
Remember me this way
Remember me this way
