

# Jennifer Love Hewitt, In Another Life

If my loving you  
Could change the river's flow  
I would not let you drift away from me  
I'd never let you go

I want to be by your side  
But the water's too deep and wide

In another life  
In another place  
I'd have held you close  
I'd have known your grace

In another world  
In another time  
You'd be mine  
You'd be mine

If I touch you now  
I'd only lose my mind  
Ooh, what a cruel, wicked thing  
Living one life at a time

I don't know where or when  
But we'll pass this way again

In another life  
In another place  
I'd have held you close  
I'd have known your grace

In another world  
In another time  
You'd be mine  
You'd be mine
