

Jessi (□□), What Type of X (□□X)

I am a different type of beast
I am a different type of beast
I am a different type of beast
But it's ok

Got my bad girl make up on
Since i was born been in my zone
Drawing you in baby
#instadaily

I am so ggod at being bad
And i am so glad it makes you mad
Driving you crazy
I know you;re hypnotized
I can see it in your eyes
