

Jessie J, Alive

This is it, now it's in our hands
I know you feel it
We could have quit but we choose to dance
But best believe it

We took it in baby from the start
We chased the light and forgot the dark
So point this moment with a million stars (stars)
So everybody sing with me

Let me see your hands up high
Don't wait own it because tonight
We're flying free like birds in the sky
'Coz we're alive, alive
Let's raise a glass to you and I
Let's show and tell that we survive
We're flying free like birds in the sky
'Coz we're alive
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (oh oh)
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (live, live)

Here we are, now it's in our hands
Oh yeah we feel it
Don't let it stop, we got to dance
But best believe it

We took it in baby from the start
We chased the light and forgot the dark
So point this moment with a million stars (stars)
(Come on) So everybody sing with me

Let me see your hands up high
Don't wait own it because tonight
We're flying free like birds in the sky
'Coz we're alive, alive
Let's raise a glass to you and I
Let's show and tell that we survive
We're flying free like birds in the sky
'Coz we're alive
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (oh oh)
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (live, live)

Wo oh oh oh oh oh
Wo oh oh oh oh oh

Let me see your hands up high
Don't wait own it because tonight
We're flying free like birds in the sky
'Coz we're alive, alive
Let's raise a glass to you and I
Let's show and tell that we survive
We're flying free like birds in the sky
'Coz we're alive
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (oh oh)
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (live, live)

We're alive
(1, 2, 3) We're alive! (oh oh) (1, 2, 3) So alive! (oh oh)
(1, 2, 3) So alive! (live, live)
Alive, alive
We're alive
