

# Jessie Reyez, LOVE IN THE DARK

we're only humans floating on a rock  
but I think that you are made of stardust  
unconditional, you put up with so much  
I could never repay the way you love  
back to the sky  
we all have to fly back home  
back home  
the sweetest goodbyes are never whit smiles at all

but when our lives are running out  
and your heartbeat has taken the draw  
could you try to look around?  
I'll be there to pull you back up  
I'll be around you  
I am nothing whiteout you  
I won't leave you alone  
cause when the stars are falling down  
there's love in the dark

I'll be there  
I'll be there  
there's love in the dark  
I'll be there  
I'll be there
