

Jhene Aiko, Lead the Way (piosenka z filmu 'Ray')

We have a choice
To build or destroy
To fight or to come together

Love is a bridge
And trust is a gift
We give it and it gets better

There's an Energy in the water
There is magic deep in our heart
There's a legacy that we honor
When we bring the light to the dark

Wherever brings us together
Can never tear us apart
We become stronger then ever
When we just trust

Trust and believe it
You'll see that
We'll lead the way
When we just trust

Trust and believe it
You'll see that
We'll lead the way
When we just trust

Trust and believe it
You'll see that
We'll lead the way

When you're broken
Open up your heart and feel
There's no difference
We're all family here

Despite all of our doubts
All our ups and downs
There is never really
Anything to fear

There's an Energy in the water
There is magic deep in our heart
There's a legacy that we honor
When we bring the light to the dark

Wherever brings us together
Can never tear us apart
We become stronger then ever
When we just trust

Trust and believe it
You'll see that
We'll lead the way
When we just trust

Trust and believe it
You'll see that
We'll lead the way
When we just trust

Trust and believe it
You'll see that

We'll lead the way
