Jim Reeves, Sweet Sue

Every little star above knows the one I love Sweet Sue, just you And the moon up high knows the reason why Sweet Sue, it's you,

No one else it seems ever shares my dreams And without you dear I don't know what I'd do In this heart of mine you live all the time Sweet Sue, just you.

(Every star above knows the one I love) It's you, sweet Sue (And the moon up high knows the reason why) It's you, sweet Sue.

Nobody else it seems ever shares my dreams And without you dear I don't know what I'd do In this heart of mine you live all the time Sweet Sue, just you, just you, just you...
