

# Jim's Big Ego, They're Everywhere!

I'm a paranoid schizophrenic with surround sound speakers  
They're everywhere! they're everywhere! they're everywhere!  
I hooked my cell phone  
to a megaphone  
to my headphone  
and I'm still alone  
they're everywhere! they're everywhere! they're everywhere!

And I'd like to talk to you right now but it's me on the other line  
I'll call you back when the weather man on the news gives me the sign  
And I know you think they're all out to get you but they're really out to get me  
Can't you see

They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere! they're everywhere!  
They're everywhere!

I'm a militant environmentalist in a Ford Exploder  
They're everywhere! they're everywhere! they're everywhere!  
I'm a xenophobic tapiocaphobe and a claustrophobic agoraphobe  
They're everywhere! they're everywhere! they're everywhere!

And I'd like to talk to you right now but it's me on my other mind  
I'll call you back when the spaceship lands in 1949  
And I know you think they're all out to get you but they're really out to get me  
Can't you see

They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere! they're everywhere!  
They're everywhere!

I'm a bipedal omnivoric semi-simian who is always mating  
They're everywhere! they're everywhere! they're everywhere!  
And I'm chewing up the whole planet and I'm procreating  
They're everywhere! they're everywhere! they're everywhere!

And I'd like to talk to you right now but it's time to procreate  
I'll call you back when my head's cut off but of course that will be too late  
And I know you think they're all out to get you but they're really out to get me  
Wheeeeeeeeeee!

They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere!  
They're everywhere! they're everywhere! they're everywhere! they're everywhere!  
They're everywhere!
