

# Jimmie's Chicken Shack, High

What mood is that you wear this time  
Why do you get high?  
To change the sea you're in  
(In time you won't come back again)

What mood is that you wear this time  
Why do you get high  
To change the sea you're in  
(In time you won't come back again)

HIGH x7

Make light of the weight  
Time out from hell  
I could be in  
These are the words you say

What mood is that you wear this time  
Why do you get high?  
(To change my shape  
And complicate things)

HIGH x7

(Lead break)

What does it take to get you high  
What will it take to get me high  
What does it take to get us high  
What ever it takes to get you high

HIGH x3

You don't like me when I'm high

HIGH x3

(Sick lead break)
