

Jimmy Buffett, Barometer Soup

Follow in my wake
You've not that much at stake
For I have plowed the seas
And smoothed the troubled waters
Come along let's have some fun
The hard work has been done
We'll barrel roll into the sun
Just for starters
Just for starters
Barometer's my soup
I'm descended from a deckhand on a sloop
I travel on the song lines
That only dreamers see
Not known for predictability
Come and follow in our wake
You've not that much at stake
For we have plowed the seas
And smoothed the troubled waters
Come along let's have some fun
Seems our work is done
We'll barrel roll into the sun
Just for starters
Sail the main course
In a simple sturdy craft
Keep her well stocked
With short stories and long laughs
Go fast enough to get there
But slow enough to see
Moderation seems to be the key
Constantly searchin'
Oh my eyes have seen some horizons
And I've crossed the ocean for more than just thrills
No I'm not the first
Won't be the last
You lust for the future
But treasure the past
Follow in my wake
You've not as much at stake
For I have plowed the seas
And smoothed the troubled waters
Come along let's have some fun
The hard work has been done
We'll barrel roll into the sun
Just for starters
We'll barrel roll into the sun
Just for starters
We'll barrel roll into the sun
Just for starters
