Jimmy Buffett, Defying Gravity

I live on a big round ball
I never do dream I may fall
And even one day if I do
Well I'll jump up and smile back at you
I don't even know where we are
They tell me were circling a star
Well I'll take their word, I don't know
But I'm dizzy so it may be so

I'm riding a big round ball I never do dream I may fall And even the high must lay low But when I do fall I will be glad to go Yes when I do fall I will be glad to go
