Jimmy Buffett, King Of Somewhere Hot

I've traveled all around the world And there are places that still stand out to me But nowhere else can quite compare To my island in the sea

My personal utopia a place to run to Where I can hide away Where I can truly reign supreme somewhere fresh and clean Where a man can dream

I'm king, king of somewhere hot (Don'tcha know)
I'm king like every man should be I'm king, king of somewhere hot (Way to go)
Where the music in my soul makes me start to lose control I could melt right on the spot I'm king of somewhere hot

Someday I hope to find my queen I know she'll come my way I'll give her all my love It's not a complicated thing just a place where I can swing Where a man can be a king

I'm king, king of somewhere hot (Don't cha know)
I'm king like every man should be I'm king, king of somewhere hot (Way to go)
O don't care how hard you look you won't find me in the book I could melt right on the spot I'm the king of somewhere hot
