

Jimmy Buffett, Love And Luck

(Jimmy Buffett, J. Beroard, J.C. Naimro)

Better days are in the cards I feel
Feel it in the changin' wind
I feel it when I fly

So talk to me I'll listen to your story
I've been around enough to know
That there's more than meets the eye
Everybody needs a little good luck charm
A little gris gris keeps you safe from harm
Rub yours on me, and I'll rub mine on you
Luckiest couple on the avenue

With a little love and luck
You will get by
With a little love and luck
We'll take the sky
In this megalomaniac world
You've got to try
Try a little love and luck
And you'll get by

Mysteries don't ever try to solve them
We're just players in a game
And no one's keeping score

So have your fun
Go ahead and tell your story
Find yourself a lover
Who will glue you to the floor

Everybody needs a little good luck charm
A little gris gris keeps you safe from harm
Rub yours on me, and I'll rub mine on you
Luckiest couple on the avenue

With a little love and luck
You will get by
With a little love and luck
We'll take the sky
In this megalomaniac world
We've got to try
Try a little love and luck
And you'll get by

Kole sere kole sere
Kole sere kole sere
Kole sere kole sere
Kole sere kole sere

With a little love and luck
You will get by
With a little love and luck
We'll take the sky
In this megalomaniac world
You've got to try
Try a little love and luck
And you'll get by

Kole sere, kole sere
Kole sere, kole sere
Kole sere, kole sere
Kole sere, kole sere

With a little love and luck
You will get by
With a little love and luck
We'll take the sky
Love and luck
We will get by
