Jimmy Buffett, Silver Wings

(Merle Haggard)

Silver wings shinning in the sunlight Roaring engines headed somewhere in flight Their taking you away, leaving me lonely Silver wings slowly fading out of sight

Don't leave me I cry, don't take that airplane ride But you locked me out of your mind Left me standing here behind

Silver wings shining in the sunlight Roaring engines headed somewhere in flight Their taking you away, leaving me lonely Silver wings slowly fading out of sight

Don't leave me I cry, don't take that airplane ride But you locked me out of your mind Left me standing here behind

Silver wings shining in the sunlight Roaring engines headed somewhere in flight They're taking you away

Leaving me lonely Silver wings slowley fading out of sight Silver wings slowley fading out of sight
