A million to one  
That's what our folks think about this love of ours  
A million to one  
They say that our love will fade like yesterday's flowers  
They're betting everything that our love won't survive  
They're hoping (hoping) in time we'll forget  
Each others' lies.  
A million to one  
They feel we're too young to know the meaning of love  
A million to one  
That they've forgotten the dreams that we're dreaming of  
But we'll forgive them because we love them  
After all is said and done  
Dear one, in a million, a million to one  
  
(But we'll forgive them because we love them)  
After all is said and done  
Dear one, in a million, a million to one.
