

# Jimmy Buffett, Turning Around

By: jimmy buffett

Sometimes I feel like a propeller  
Spin spin out of control  
I don't know who's up on the throttle  
Oh I wish they'd let it go.

All I ever do is get dizzy  
Thinkin' thinkin' things left undone  
Been stuck here so long now I'm zero  
I'd just like to make it to one

Chorus:

Turnin' around  
Heros and clown(s)  
Holdin' my ground  
Oh I've been down  
I'm turnin around

Turnin' around  
Lost 'til were found  
Holdin' our ground  
Oh I've been down  
I'm turnin' around

Sometimes I get lost in daydreamin'  
Sleep sleep my life away  
I know in my heart I'm a sailor  
And my ship is on the way

There never is an end to believers  
Lookin' lookin' for the right sign

If everything will just keep on turnin'  
All that I want will be mine.

Chorus:

Turning around  
Heros and clown(s)  
Holdin' my ground  
Oh I've been down  
I'm turnin' around

Turnin' around  
Lost 'til we're found  
Holdin' our ground  
Oh I've been down  
I'm turnin'around

Bridge:

(nice steel drum lick)

Chorus:

Turnin' around  
Heros and clowns  
Holdin' my ground  
Oh I've been down  
I'm turnin' around

Turnin' around  
Lost 'til we're found
