

Jimmy Buffett, USS Zydecoldsmobile

You can feel the horses under the hood
Through thick and thin pull us out of the wood
She's the smoothest ride, yeah, you'll ever feel
She's the Delta slide of automobiles

Double clutchin' on the backseat
I hear you, yeah, with your main squeeze
Playing triple row accordion fills
In the USS ZydecOldsmobile

Port of Call Opelousas
Port of Call Lawtell
Port of Call Frilot Cove
In the USS ZydecOldsmobile

Mardi Gras run block the road
Park the car and join the show
Get up on the trunk and dance at will
Aboard the USS ZydecOldsmobile

Port of Call Opelousas
Port of Call Lawtell
Port of Call Frilot Cove
In the USS ZydecOldsmobile

Yeah, Spirit moves through everyone
We have faith and we have fun
God bless the turning wheel
Of my USS ZydecOldsmobile

Port of Call Opelousas
Port of Call Lawtell
Port of Call Frilot Cove
In the USS ZydecOldsmobile

Come ride with me in my ZydecOldsmobile
Double clutchin' with me in my ZydecOldsmobile
Hip shakin' with me in my ZydecOldsmobile
Come ride with me in my ZydecOldsmobile
