

Jimmy Somerville, Because Of Him

(Butcher / Somerville)

My heart is on fire
And it's out of control
Like a blazing inferno
Oh boy I don't know
If I'm coming or going
My mind's out to lunch
Lost all concentration
and it's all because of him
With the wink of an eye
And there's chaos in sight
He just has to smile and I'm melting
And there's no drug I've tried
Could give such a high
As the heights that I reach
when he's near
My nails are a mess
And I couldn't care less
I'm calling it love
'cause there's on other word
And it's all because of him
Well I'm neither here
And I'm neither there
It's like I've exploded emotions
Everywhere
And it's all because of him
