

Jimmy Somerville, Disenchanted

Communards (Somerville/Coles)

So, boy where you go, what you do,
Hey there boy what is wrong with
you?

No future, no hope, just broken
dreams,

You spend your days wondering why

I'll be your friend, I'll be around

I'll be everything you need

I'll be your friend, I'll be around

I'll be everything you need

Hey young man, why you cry

Don't you know, you've got to try

A little bit harder, you've got to stand

On your own two feet

Never let them drag you down

Hey there boy

This prejudice and ignorance we can
overcome

I'll be your friend, I'll be around

I'll be everything you need

I'll be your friend, I'll be around

I'll be everything you need

Disenchanted angry young man

Disenchanted angry young man

Disenchanted angry young man

Disenchanted angry young man

I'll never let you down

Never let you down

So boy now you know what to do,

hey there boy don't be blue

There's future, there's hope, hope for
you

Hey young man just believe in what
you do.

I'll be your friend, I'll be around

I'll be everything you need

I'll be your friend, I'll be around

I'll be everything you need

Pride is something good for you

Believe in yourself.
