

# Jimmy Somerville, For A Friend

I never cried the way I cried over you,  
As I put down the telephone and the world it carried on.  
Somewhere else, someone else is crying too,  
Another man has lost a friend, I bet he feels the way I do.  
And now I'm left without, but you're here within.  
As I watch the sun go down, watching the world fade away,  
All the memories of you come rushing back to me.  
As I watch the sun go down, watching the world fade away,  
All I want to do is kiss you once goodbye.  
Summer comes and I'd remember how we'd march,  
We'd march for love and pride, together arm in arm.  
Tears have turned, turned to anger and contempt,  
I'll never let you down, a battle I have found.  
And all the dreams we had, I will carry on.  
As I watch the sun go down, watching the world fade away,  
All the memories of you come rushing back to me.  
As I watch the sun go down, watching the world fade away,  
All I want to do is kiss you once goodbye, goodbye,  
Goodbye, goodbye.  
And all the dreams we've had, I will carry on.  
As I watch the sun go down, watching the world fade away,  
All the memories of you come rushing back to me.  
As I watch the sun go down, and darkness comes to me,  
All I want to do is kiss you once goodbye, goodbye,  
Goodbye, goodbye.
