

# Jimmy Somerville, Infatuation / Memories

Oooh, oooh, oooh, oooh  
Memories, sweet memories  
Lost in these memories  
Lost I should stay

Days, brilliant days  
Love filled these brilliant days  
These days are foregone  
Alone, alone I pray

Love that was wonderful  
Love nobody knows  
My head it cries from wall to wall  
My heart will scream down down I fall

My heart, down I fall, down I fall

Down I fall!
