

Jimmy Somerville, Matter Of Opinion

Too many times I've thought that I could stick around
But now I know there's something I've just got to do.
I've got to move on and find some expression,
Some return on all I'm giving.
I know I can do it, with or without you.

Understand--won't you try to understandn my point of view
Understand--c'mon and try a little, try a little, try a little please do.

I could explain but why should I waste my time on you?
Life's too short, every day brings something new.
I know that I could be good for
Someone else who believes in me,
Someone who will move me body and soul.

There are changes I must make,
To make my life seem all worthwhile.
I can't pretend I still need you.
There's no motivation, inspiration,
Nothing seems to come from you.
So here is all I've got to say, hey hey.

Understand--won't you try to understandn my point of view
Understand--c'mon and try a little, try a little, try a little please do.
