

Jimmy Somerville, Someday We'll Be Together

(Jackie Beavers / Johnny Bristol / Harvey Fuqua)

Someday we'll be together
Someday we'll be together
You're far away, oh yes
From me my love
But just as sure now baby
As there are stars above
I wanna say
Someday we'll be together
Oh yes we will, you know we will
Someday we'll be together
My love is yours, oh yes it is
Right from the start
You, you, possess my soul now honey
I know you own my heart
Someday we'll be together
Someday we'll be together
Tell everybody now
And ever, ever
Ever since the day well
All I wanna do
Oh is cry, cry, cry
I long for you, every night
Just to kiss you sweet,
Sweet lips and honey
And hold you ever, ever so tight
And I wanna say
Someday we'll be together
Someday we'll be together
