

Jin, Jin Vs. Sean Nicholas

You ain't a Reggae arist and I aint hatin' on you
Stop lyin, Mrs. Cleo is more Jamaican than you
I'm nice with it when I'm freein'
Who you think you bein'?
My pants are new, my sweater is new
don't be mad at chinese kid dressed better than you
Man im freestylin' now its a rap, matter fact
you should ask clef how to make your flow tighter
better yet, pay him 20 g's to be your ghost-rider
I'm nice when I'm freein'
You ain't beatin me
matter fact i'll be a buffet and you ain't eatin me
and don't make me start rappin in chinese on the microphone
"lei faan ook kay lah" that means take your sorry butt home!
