

Joan Armatrading, Would You Like To Dance

Want you
And I don't know
What to do

Should I try to meet
You after work
By coincidence

Should I make a beeline
To your door ring your bell
Ask someone to introduce us

Hey baby would you like to dance
Would you like to see my yacht

Should I faint right at your feet
Walk right up and ask you
If you want to take a chance on me

Or start a conversation
With an old time melody

I'll treat you like a newborn child
Show a lot of self restraint

I want your loving
Can't live without you
Said I need your loving need your loving

Don't leave it too late
Said I need your loving need your loving

Hey baby would you like to dance
I'd show a lot of self restraint

I want your loving
Can't live without you
And I need your loving need your loving
Can't live without you
Said I need your loving need your loving

[Chorus:]
Hey baby would you like to dance
We could have a fine romance
Would you like to see my yacht
I'll give you every little thing I got

Treat you like a newborn child
Protect you from the world outside
Show a lot of self restraint

Until you say you're really ready

[Chorus]

Don't leave it too late
Said I need your loving, need your loving

[Chorus]
