

Joanna Liszowska, Into U

i don't wanna say goodbye
i don't wanna leave you behind
that's fine

i don't wanna be the one killing of the spark in your eyes
not right

and I know, I know, I know
I was wrong
and I know, I know, I know
you're the one

and i don't wanna say goodbye
if leaving you makes us alive

let's make a miracle
bring back the beautiful tonight
coz you only I'm into you, into you
turn on the radio
make 'em play our favorite song tonight
coz you know I'm into you, into you

I wish I had seen the sighs
I wish them I could stop rewind
this time
but if we only face the time
know that the hurt the ...
inside

and I know, I know, I know
I was wrong
and I know, I know, I know
you're the one

and i don't wanna say goodbye
if leaving you makes us alive

let's make a miracle
bring back the beautiful tonight
coz you only I'm into you, into you
turn on the radio
make 'em play our favorite song tonight
coz you know I'm into you, into you

i am sorry, to you
you're my miracle
indestructible
i am sorry, to you
let's get?.....
cuz I am into you
into you
into you

let's make a miracle
bring back the beautiful tonight
coz you only I'm into you, into you
turn on the radio
make 'em play our favorite song tonight
coz you know I'm into you, into you
