Joe, Can't Turn Back The Years

Could of given you everything that you need
But I cannot turn back the years
The perfect love was all you wanted from me
But I cannot turn back the years
So we have to be strong and I'm finding that hard
We have to move on, but no matter how hard I try
If your heart's in pieces you look for the truth
And when I look deep down inside I know
It's too bad I love you
Too bad I love you, too bad, too bad
Too bad, too bad baby
Too bad, too bad, too bad
Sometimes
It hits me in the morning, it hits me at night
That I cannot turn back the years
So I look out my window and turn off my light
But I cannot turn back the years
Can't make it seem easy when you're all that I see
Can't live in a dream and I won't serenade the truth
People are hurting and they're looking to me
When I look at you there's nothing more to say
It's too bad I love you
But I'm never gonna
Give it up, give it up, give it up
Give it up, give it up, give it up
Give it up, give it up, give it up
Give it up, give it up
All that I live for and all that I dream
But I cannot turn back the years
You're the water I drink, you're the air that I breathe
But I cannot turn back the years
So we have to be strong and I'm finding that hard
We have to move on, but no matter how hard I try
If your heart's in pieces you look for the truth
And when I look deep down inside I know
It's too bad I love you
But I'm never gonna
Give it up, give it up, give it up
Give it up, give it up, give it up
Give it up, give it up, give it up
Give it up, give it up (x2)
