Joe Cocker, Crazy In Love

(McCormick/Stevens)

Ain't funny how time Steals the feelings from a love affair And there's no place to lay the blame Cause it ain't a case of no one cares Helplessly we just watch it fade away Neither of us will admit it But we're both aching to say Weeooh I miss the days when we were Crazy in love When you weren't so sure of me And I had my little jealousies Weeooh bring back the days when we were Crazy in love I want to feel that way again Remember when We were crazy in love It used to be so easy One touch and I was high I could get intoxicated Just by looking in your eyes Baby ain't there anything we can do Cause I know you're missing me As much as I've been missing you Weeooh I miss the days when we were Crazy in love When you weren't so sure of me And I had my little jealousies Weeooh bring back the days when we were Crazy in love I want to feel that way again Remember when We were crazy in love We were more than best of friends

We were crazy in love
