

Joe Cocker, Don't you love me anymore

Oh oh
I thought I'd see you smile
When I walked in the door
Thought those arms of yours would be open wide
The way they were before
Why do you look at me
Like I'm some stranger now
Why do you pull away
When you used to hold me so tight
Don't you love me anymore
Have you learned to live your life without me
Don't you love me, anymore
When did the fire go out
Where did the feeling go
Did it slip away when I wasn't there
Baby now I've come home
I thought you'd want me babe
I was so sure you'd ask me to stay
I thought you'd need this too
Guess it didn't work out that way
Don't you love me anymore
Have you learned to live your life without me
Don't you love me anymore
Darling
When did the fire go out
Where did the feeling go
Why do you pull away
When you used to hold me so close baby
Don't you love me anymore
Have you learned to live your life without me
Don't you love me anymore
Don't you love me anymore
Have you learned to live your life without me
