

# Joe Cocker, It's Only Love

(John Shanks/Shelly Peiken)

It's never too late to turn a night into day  
I'll meet you halfway and we'll see it through  
We're just standing here  
There's only me and you  
Don't tell me you don't feel it  
Cause I feel it too

Well these dreams we can use  
Gods grace is living proof  
We'll take the time, and get it right

So come on, come on, come on  
I know we can make it  
I'll hold you in my arms  
It's only love that keeps us strong  
So come on, come on, come on  
So much we've wasted  
We're right where we belong  
It's only love that keeps us strong

Never too late to finally take a second chance  
And I saw mine, when I saw you  
Everything changed the moment we began again  
Our broken hearts were pulling through  
Something real, something close  
Helped us feel, and let us go  
So here we are, now we know

So come on, come on, come on  
I know we can make it  
I'll hold you in my arms  
It's only love that keeps us strong  
So come on, come on, come on  
So much time we've wasted  
We're right where we belong  
It's only love that keeps us strong

I have been a beggar  
And you have been a fool  
We've been lost beyond repair  
But you have touched my soul  
And I have bent your rules  
Only love could save us  
Show us what we're made of

So come on, come on, come on  
I know we can make it  
I'll hold you in my arms  
It's only love that keeps us strong  
So come on, come on, come on  
So much time we've wasted  
We're right where we belong  
It's only love that keeps us strong
