## Joe Cocker, Soul Rising

Yesterday, I Was Out In The Rain Wondering When I'D See The Sun Again Lonely Hearts, Baby, I Wrote The Book Since She Walked Away Without A Second Look

Ohbut Now I Feel Good Cos' You Look At Me The Way A Woman Should

I Feel My Soul Rising To A New Love No Blues I Can'T Rise Above I Feel My Soul Rising When I'M Close To You When Your With Me Girl There'S Nothing I Can'T Do

Yesterday I Was Falling Apart Picking Up Pieces Of My Broken Heart Yeah. But One Touch Of Your Healing Hand 24 Hours Later I'M A Whole New Man

Yeah, And I'M Stronger Now Cos' You Make The World A Better Place Some How

I Feel My Soul Rising To A New Love No Blues I Can'T Rise Above I Feel My Soul Rising When I'M Close To You When Your With Me Girl There'S Nothing I Can'T Do

I Got Sunshine On A Brand New Day And The Grey Clouds Have All Drifted Away And There'S Nobody That I Can'T Be If It'S You And Me
