

# Joe Cocker, The Jealous Kind

Girl, don't be angry if I seem rude  
Each time we meet  
A boy that you once knew  
[??] just to be so close to you

It's just that I'm so afraid  
Someone might steal you away, I'd lose my mind  
So please forgive me for the way I act sometimes  
I'm the jealous kind

If you only knew where I lived  
And didn't mind  
[?] can't you see [??]  
That I'm losing my mind

I want you all to myself  
I don't want you shackin' with nobody else  
I can't help it if it's the way I act sometimes  
Because I'm the jealous kind

You know I love you girl

Just one more thing now, if you only knew  
How much it hurts me just to hear you say  
How, when we first met  
I can't think that those were the good old days

Why must you hurt me so  
I can't stand it no more, I'm tryin'  
So please, I can't control these tears in my eyes  
Lord I'm the jealous kind

I love you baby  
You know you've got me baby

You know I'm the jealous kind
