

# Joe Cocker, When A Woman Cries

When a woman cries  
When a woman cries  
She can wash your world away  
When stars fill her eyes  
When stars fill her eyes  
You'll never know just what to say  
Don't say a word  
Don't say anything  
She don't need your truth or lies  
Just hold her close and love her  
When the woman cries  
When a woman cries  
When a woman cries  
There is no sadder song  
So you apologize  
You apologize  
Even if you don't know that you've done wrong  
But if you really want to make her happy  
To stop her sobbing and her sound  
Just hold her close and love  
When the woman cries  
Just don't waste your time thinking  
Of the right thing to say  
Just put your arms around her  
Till the clouds are all away  
When a woman cries  
When a woman cries  
She can tear your world apart  
When stars fill her eyes  
When stars fill her eyes  
It can break a poor man's soul  
And if you find that you are crying too  
Don't let it come as no surprise  
Just hold her close and love her  
When your woman cries  
When the woman cries  
When the woman cries  
She can tear your world apart  
When stars fill her eyes  
When stars fill her eyes  
It can break a poor man's heart  
When that woman  
When that woman cries  
That girl can wash your world away
