## Joe Cocker, Without Your Love

## (Bolton/James)

I don't know what it is you got But it's plain enough to see Whatever it is sure Means alot to me, oh yeah I try to turn and walk away But it does no good, I've gotta stay This feelin' that you give Won't let me be, oh no

## [Chorus:]

You really got a hold on me, yeah, yeah I can't live without your love I can't live without your love I can't live without your love I don't know what it is you give But I can't live without your love

Everywhere I see your face
Even though my foolish pride
I must admit I've got
No place to hide, oh no
You're even living in my mind
It's getting to the point where I find
A day without you is like
A long lonely ride, yeah, yeah

## [Chorus]

Way that you're coming to me Amazes me to no end I turn my back on your love And people tell me now That I look like I done lost my only friend, yeah

I don't know what it is you give
But I can't live
I don't know what it is you give
But I can't live
I don't know what it is you give
But I can't live without your love, yeah

I can't live without your love [repeat 8x]
