

Joe, Go Hard

(feat. Jhnta Austin)

Theres A Girl Around Town
For Real Shes Amazing
Hottest Thing Around
No Doubt She Keeps It Right
And The Word That Came Down
Shes Looking For A Date And
She Rocks The Kinda Style
Every Man Loves To See

And I Want To Get That
I Want To Hit That
Gotta Be Wanna Be Her Latest Lover
Shes The Baddest Ever
Im Here To Tell Ya
That If Its Cool For It
I Know What To Do For Her

Have You Seen Her
Shes A Superstar
Gotta Meet Her
I Need To See If The Love
Is As Good As It Looks
Ima Roll In Like I Should
And Now Watch Me Go Hard

Real Gs Go Hard
I Really Need Her
I Know I Got A Girl
But I Can Leave Her
Thats The Reason Im On
Got Me Blown
Shes My Favorite Thing That I Want
And Now Watch Me Go Hard
Real Gs Go Hard

Now The Swagger She Bring
Its The Coldest Thing
She Looks Like A Handful
I Want To Get A Handful
I Gotta Let Her Know In Time
Every Day In Every Way She Blows My Mind

And I Tell You What
Through Our Conversation
Shell Know Whats Up
See I Dont Play That
So When I Say That
Give Me A Week At The Most
And Ill Be Inside On The Low
