

# Joe, I Wanna Know (The Roni Remix)

It's amazing how you knock me off my feet  
Every time you come around me I get weak  
Nobody ever made me feel this way  
You kiss my lips and then you take my breath away  
(Chorus 1)

If you believe in love and all that it can do for you  
Give it a chance girl, you'll find romance  
I think I've found a ghetto shorty that is right for me  
Then it's official, all of my love  
(Chorus 2)

I wanna know the things that turn you on  
So I can be all that and more  
I wanna know the things that make you cry  
'Cos I wanna make you smile  
Girl he never understood what you were worth  
And he never took the time to make it work  
Baby I'm the kind of man who shows concern  
Anyway that I can please you let me learn

(Chorus 1)

(Chorus 2)

(Bridge)

The truth about roni, she's a ghetto girl  
About the finest ghetto girl in the whole wide world  
She'll make the toughest street thug fall deep in love  
And once you got a shorty you will never give her up  
She's a special kind of girl that makes a playa feel proud  
You know the kind of girl that stands out in crowds  
Found a ghetto joy and the loving is so right  
I think I'm gonna love her for the rest of my life

(Chorus 2)

(Bridge)
