Chorus (2x)

Damn I love you

No one else comes close No one else comes close

When we turn out the lights The two of us alone together Something's just not right But girl you know that I would never ever let another's touch Come between the two of us Cause no one else will ever take your place Chorus: No one else comes close to you No one makes me feel the way you do You're so special girl, to me And you'll always be, eternally Everytime I hold you near You always say the words I love to hear Girl with just a touch, you can do so much No one else comes close And when I wake up to The touch of your head on my shoulder You're my dream come true Oh, girl you know I'll always treasure yeah Every kiss n every day I love you girl in every way And I always will cause in my eyes
