

Joe, Love Scene

Yeah

Ooooo..., Ooooo...

Well, well, well, well, well, baby, mmmm...

Listen baby

Take One

Baby lying on the bed, exotic fantasies going through her head

Take Two

I jump into my SL6, I gotta make my way to the crib mad quick

Take Three

I see my baby as I step inside, she's staring at me with those bedroom eyes

Take Four

Honey sippin' on some chardonnay, the sex is even better when she's feeling that way

Bridge:

All I wanna do right now is love her down

I don't give a damn about who hears the sound

Movin' and a groovin' 'til the sun comes up

Together we'll get lost inside the run

Chorus:

Let's make a love scene

Steamy and blue

Erotic memories for an audience of two

And we'll make a love scene

Let the foreplay begin

And we play each moment again and again and again

Take Five

The jacuzzi's just bout ready for us

We step into the water, and you tremble at my touch

Take Six

I see you gettin steamin

Girl let it, just the bubbles been hitting the spot

Take it on, take it on, take it on 'til you get enough

Any way that you like it's o.k. come and get my love

[Bridge]

[Chorus]

I'm gonna keep lovin, I'm gonna keep lovin you baby

When the good time drops

Oooooo

We won't stop (we won't stop), we won't stop ooohhh

Oh baby

Chorus(version 2):

Let's make a love scene

(Let's make a love scene)

Steamy and blue

(See I got what you want, you got what I need)

Erotic memories, for an audience of two

And we'll make a love scene

(We'll make a love scene)

Let the foreplay begin

(Oooo baby)

And we play each moment again and again and again

Girl, I'm down to take a sip from your cup

If you drink from a fountain of love

Girl, I'm down to take a sip from your cup

If you drink from a fountain of love

Sixty-nine was a very good year

If you know what I mean my dear

Sixty-nine was a very good dear

If you know what I mean my dear

[Chorus]1st version
