

# Joe Menzies, So It Be

My estimates where I think I felt  
She serves his needs and it serves him well  
Silly me, so it be  
I'd like to think what I saw that night,  
was a big mistake though I fear I'm right  
Silly me, so it be

Well then I think it's out of line,  
it happens all the time  
It takes a lot to admit when your to blame

You took one minute, it don't take a long  
to see her leave with her best dress on  
silly me, so it be  
I've seen this happening a hundred times  
I can all but say, well at least I tried  
Silly me, so it be

Well then I think it's out of line,  
it happens all the time  
It takes a lot to admit once your to blame

My estimates where I think I felt  
She serves his needs and it serves him well  
Silly me, so it be  
I'd like to think what I saw that night,  
was a big mistake though I fear I'm right  
Silly me, so it be

Well then I think it's out of line,  
it happens all the time  
It takes a lot to admit once your to blame  
Well then I think it's out of line,  
it happens all the time  
It takes a lot to admit when your to blame
