

# Joe, When I See Your Smile

ooooo hmm mmm

sometimes i wonder how i ever make it through  
through this world without having you  
i just wouldn't have a clue  
and sometimes it seems like this world's closing in on me  
and there is no way of breaking free  
then i see you reach out for me

sometimes i wanna give up  
wanna give in  
wanna quit the fight

then one look at you baby  
can make everything alright  
u make everything alright

when i see you smile  
i can face the world  
ooh oh  
ya know that i can do anything  
when i see you smile  
i see a ray of light  
ooh oh  
i see it shining right through the rain  
when i see you smile.....baby when i see you smile  
at me

baby there's nothin in this world  
that could ever do  
what the touch of your hands can do  
it's like nothin i ever knew  
and when the rain is fallin  
i don't feel it  
'cause you're here with me  
and one look at you baby  
is all that i ever need  
it's all that i ever need

when i see you smile  
i can face the world  
ooh oh  
you know that i can do anything (i can do anything)  
when i see you smile(baby when i see you smile)  
i see a ray of light  
ooh oh  
i see it shining right through the rain(see the light shine)  
when i see you smile  
baby when i see you smile(when i see you smile)  
at me

can make everything alright
