

# John de Sohn, Enough - feat. Tribbs, Raaban

You're not giving me enough

Wake me up at sunrise,  
'cause I'm giving up on you and I  
It's hard enough if you're not giving me enough  
You're not giving me enough  
Wake me up at sunrise,  
'cause I'm giving up on you and I  
It's hard enough if you're not giving me enough  
You're not giving me enough
