

John Legend, You Deserve It All

You've given me the world
With all your love
So i got you something special
Just because
I found
A gift that's perfect
And you're more than worth it
It's everything that you been dreaming of

This is my love language
So I'll go 'head and say it
'Cause you're the gift that keeps on giving

And you deserve it all
You deserve it all
You know you've been good at all year
Come over here
And let me show you

You deserve it all /2x
I'll shower you with more than you'll ever need
It's all good with me
'Cause you deserve it all
