

John Mayer, Last Train Home

If you wanna rill me
Then you gotta roll me all night long
And if you wanna use me
The you gotta use me til i am gone
I am not a fallen angel
I just fell behind
I am out of luck and i am out of time
If you don't wanna love me
Let me go
I am running for the las train
I am running for the las train home

If you wannna know me
Than you gotta know me through and through
And if you're gonna hurt me
Then you gotta hold me next to you
No matter how you worki t things go wrong
I put my heart where it don't belong
So if you're comin' with me let me know
Maybe you're the las train
Maybe you're the last train home

I am running for the las train
I am running for the las train
And i surrender
And i surrender
