John Mellencamp, All The Best

I wish you love And happiness
I guess I wish you All the best
I wish you don't Do like I do
And ever fall in love with Someone like you
Cause if you fell Just like I did
You'd probably walk around the block like a little kid.
But kids don't know They can only guess
How hard it is To wish you happiness

I guess that love Is like a Christmas card You decorate a tree You throw it in the yard It decays and dies And the snowmen melt Well I once knew love I knew how love felt Yeah I knew love Love knew me And when I walked Love walked with me And I got no hate And I got no pride Well I got so much love That I cannot hide

Say you drive a Chevy Say you drive a Ford
You say you drive around the town till you just get bored
Then you change your mind For something else to do
And your heart gets bored with your mind and it changes you
Well it's a doggone shame And it's an awful mess
I wish you love I wish you happiness
I wish you love I wish you happiness
I guess I wish you All the best
