

# John Mellencamp, Lonely Ol' Night

She calls me up and says baby it's a lonely ol' night  
I don't know I'm just so scared and lonely all at the same time  
Nobody told us it was gonna work out this way  
No, no, no, no, no  
I guess they knew we'd work it out in our own way

[Chorus:]  
It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you

Radio playing softly some singer's sad sad song  
He's singing about standing in the shadows of love  
I guess he feels awfully alone  
She says I know exactly what he means  
Yeah, yeah, yeah, yeah, yeah  
And it's a sad, sad feeling when you're living on  
Those in-betweens  
But it's okay

[Chorus]  
She calls me Baby She calls everybody Baby  
It's a lonely ol' night but ain't they all

[Chorus]
