

John Mellencamp, Make Me Feel

This ain't no make believe
I ain't foolin around this time
You can believe what you want to believe
It's a sin the way we've wasted our time

Make me feel like I wanna feel
Baby tear this pain from my heart
Make me feel like I wanna feel
Make me feel like I did in the start

Maybe it's a change of plan
Now that your dreams have left me behind
Or is it another man
Who didn't care that you were mine

Baby this could be our last chance
Now you're actin like it's no big deal
Make me feel like I wanna feel
Make me feel like I did in the start

I can hear, I can hear, I can hear
The radio playin' your favorite song
I don't care, I don't care, I don't care
I know that something had to go wrong

Baby don't you walk away
Stay here and listen to my plans
You can leave, make it another day
Stay tonight and hold me in your hands
