## John Mellencamp, Small Town

Well I was born in a small town And I live in a small town Prob'ly die in a small town Oh, those small communities

All my friends are so small town My parents live in the same small town My job is so small town Provides little opportunity

Educated in a small town Taught the fear of Jesus in a small town Used to daydream in that small town Another boring romantic that's me

But I've seen it all in a small town Had myself a ball in a small town Married an L.A. doll and brought her to this small town Now she's small town just like me

No I cannot forget where it is that I come from I cannot forget the people who love me Yeah, I can be myself here in this small town And people let me be just what I want to be

Got nothing against a big town Still hayseed enough to say Look who's in the big town But my bed is in a small town Oh, and that's good enough for me

Well I was born in a small town And I can breathe in a small town Gonna die in this small town And that's prob'ly where they'll bury me
